

Join the PTA!

Matthew Maury Elementary

The PTA makes Maury a better school by:

- Raising money.** Through fundraisers like the Book Fair, Spirit Wear, Bake Sale, Spring to Action Day, and the annual Maury Gala, proceeds go to support classroom materials, field trips, author visits, community outreach, teacher appreciation, and more. We work with Maury teachers and staff to make sure students have what they need to succeed.
- Volunteering.** We are a community that uses time, money, and connections to make a difference for Maury. You can donate your time at events throughout the year. No free time? You can donate goods or services for classrooms and teacher appreciation. You can help forge relationships through community connections. There are opportunities for every PTA member to make an impact.

Sign up for the PTA and you'll learn what is going at school. Whatever your schedule is like—even if you only have 30 minutes to spare—you'll find opportunities to help: days, evenings, or weekends. We want to see 100% volunteer participation!

PTA meetings are held monthly on Monday evenings at 6:15pm, to accommodate teacher and staff work-life balance. We provide free childcare for Maury students and \$1/slice pizza.

I want to join the PTA!
